At Hampden House

*Enough has been said to show that it is a remarkable mansion,  
extremely attractive by reasons of its great associations and for much that is  
interesting in itself and in the beautiful park and gardens that adorn it so well.*

Country Life, 10th March 1900

## *A Thousand Years of History*

In the heart of the beautiful Chiltern Hills, this quintessentially English country house is the most wonderful setting for your wedding day. This magnificent house with a thousand years of history is one of the most sought after wedding venues in the county and has over 20 years of experience in delivering exclusive weddings. Set in 300 acres of privately-owned grounds, complete with exquisitely tended lawns and tree-lined driveway, Hampden House is exclusively yours for your wedding day.

# *The House*

At Hampden House share your vows in front of family and friends in the unique setting of the Great Hall.

Enjoy canapés and champagne on the terrace and capture spectacular photographs with far reaching views along the Misbourne Valley.

Licensed for civil weddings, ceremonies can be held in one of four locations within the Grounds and Hill House.

By arrangement those wishing to marry in church may like to view the 13th Century Parish Church of Great Hampden,

St Mary Magdalene, situated within the grounds and a short walk from the House.

For those celebrations taking place within the intimate setting of the House, the elegant Georgian Room sets the scene for your evening entertainment and is conveniently located adjacent to the Lounge Bar.

*Exclusively Yours...*

# Civil Ceremony

The private and exclusive atmosphere of Hampden House is the perfect location for a civil ceremony amongst family and friends. After the ceremony the gardens are a delightful setting for a champagne and canapé reception, followed by a 3 course wedding breakfast held in the beautiful Dining Room for up to 100 seated guests.

As part of the civil ceremony service we offer, you will be provided with two fresh flower arrangements in the Great Hall or in Hill House and a music speaker to provide background music of your choice.

At Hampden House we are happy to assist you with any special requirements that you may have. Should you wish to hold an intimate civil ceremony during the week followed by a small champagne reception, we would be happy to accommodate you. Please speak to our Wedding Team if you would like to discuss your options further.

# Cuisine

## The Love of Food - Food of Love

We believe food is one of the most important aspects of your wedding day. To reflect this and in keeping with the elegance of your surroundings, we have carefully selected our cuisine partners who will share with you their passion for food. Their expertise ensures you can relax and thoroughly enjoy your day.

Whether you are looking for a 3 course wedding breakfast or something a little different, nothing is too great a challenge.

As a venue for all seasons, our beautifully decorated Dining Room with chandeliers, ornate mirrors and carved fireplaces can accommodate up to 100 seated guests.

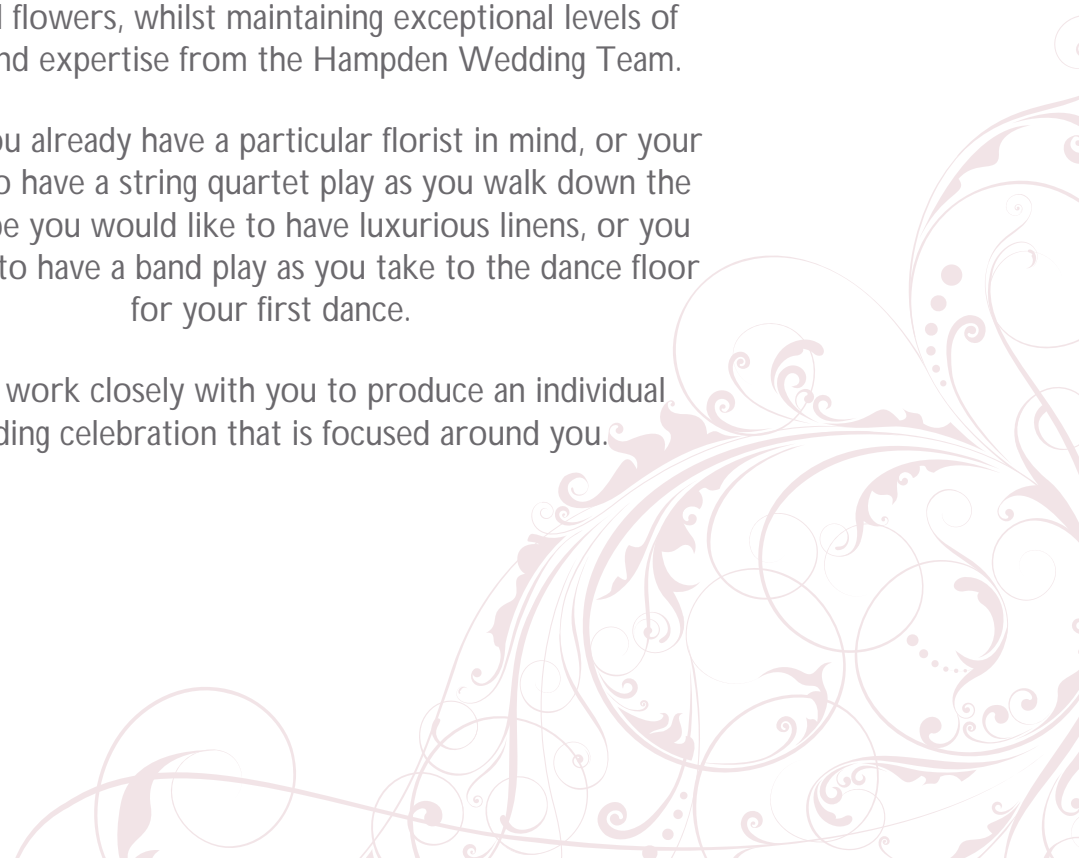

A bride and groom are shown in a romantic embrace, kissing. The bride is wearing a white wedding dress with a long veil and holding a bouquet of purple and white flowers. The groom is in a dark blue suit. They are standing in a stone archway, with a green lawn and trees visible in the background. The image has a soft, ethereal glow.

# Your Wedding

Our Bespoke Weddings lets you take full control of all arrangements on your day, such as food, wines and flowers, whilst maintaining exceptional levels of support and expertise from the Hampden Wedding Team.

Perhaps you already have a particular florist in mind, or your dream is to have a string quartet play as you walk down the aisle. Maybe you would like to have luxurious linens, or you would like to have a band play as you take to the dance floor for your first dance.

We will work closely with you to produce an individual wedding celebration that is focused around you.
